2014 PASSIVE HOUSE EXHIBITION

Programme

1. Registration

Registrations must be either submitted online or by post. Registration completed online or by post before 12 noon on 24 April 2014 will be cancelled.

2. Exhibition area themes

- Passive House components provide maximum comfort with minimum energy costs in new builds and refurbishments alike.
- All leading manufacturers of Passive House components will be represented at the accompanying exhibition.

3. Cancellation, restriction of liability

If the registration failed to be completed before 24 February 2014, the total registration fee is to be paid in full in case of no-shows and cancellations as of 1 April 2014. A substitute participant may, however, be named.

4. Conference scientific advisory board

- The range of topics in the framework programme includes the Passive House Basics Course, the Passive House Components Workshop, the Passive House Excursions, and the Cultural Programme.
- Bookings possible for Conferencevisitors only. (space limited)
